

Bird Strikes

Do you know how many bird strikes occur every day in the US and Canada? Do you know that you will have a bird strike during your flying career? Did you know that we are in the path of bird migration in MS and LA? Lets talk about what we can do to avoid being a statistic.

Directions: Drive past the FBO, make the next left and park in front of Universal Asset Management Bldg 118. The room is on the left after a long hall way.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
